

Entrance Carpet and Mat Cleaner

is a unique, **GREEN**, bench marked, scientifically formulated cleaner designed to remove soil from entrance carpets and mats without leaving a sticky film behind to attract more dirt. Entrance Carpet and Mat Cleaner encapsulates and dehydrates the dirt and turns it into a transparent crystal powder that is removed during the next scheduled vacuuming.

Just Spray & Clean

- Ready to Use
- **GREEN** Certified
- Dries Quickly
- Cleans Entrance Carpets
Spots and Stains

Encapsulated Dirt

Entrance Carpet
