Carpet Cleaning Maintenance

Weekly Task Schedule

Perform weekly carpet maintenance prior to leaving the building.

Wet Floor Sign

Place wet floor signs if building is open when you are performing weekly maintenance.

Vacuum Both Directions

Vacuum carpet in both directions to insure all loose dirt is removed.

Pre-spray Spots & Stains

Some spots and stains may have become set in the carpet over time, therefore it is necessary to pre-spray prior to cleaning.

Do not over wet carpet when cleaning.
